Leijona Ice Hockey School is a joint venture of two ice hockey clubs, Espoon Kiekkoseura (EKS) and Espoon Palloseura (EPS). It is primarily intended for children born in between years 2013-2015. All children under 8 years old are welcome, and no previous experience is needed.

When & Where

Each ice practice is divided into two 45min sessions. Youngest participants are on ice for the first 45 minutes, and older children the last 45min. We make the final division into groups one week before the start, and announce them in MyClub
